

BENCH-REST-SEATERS FOR RIFLE CALIBERS - TRIEBEL Bench-Rest-Seater 300 Win Mag - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity.

Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

Specs:

- Thread: 1 1/4"

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for TRIEBEL BenchRestSeaters for Rifle Calibers

Introduction

Thank you for choosing the TRIEBEL BenchRestSeater for your precision shooting needs. This product is designed to provide you with the highest level of accuracy when seating match bullets. To ensure safe and effective use of the seater, please carefully read this safety instruction guide, which complies with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the work area is clean, welllit, and free of distractions.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear before use.
- If you encounter any issues during use, stop immediately and consult the manual or seek assistance.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using the seater to prevent injury from potential debris.
- Ensure that the seater is securely attached to your reloading bench before use.
- Do not exceed the recommended thread specifications (1 1/4") when installing the seater.
- Avoid using excessive force when seating bullets to prevent damage to the seater and ensure consistent results.
- Be aware of the specific cartridge you are using (300 Winchester Magnum) and ensure compatibility with the seater.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading bench is stable and secure.
- Thread the seater into the reloading press using the 1 1/4" threads.
- Tighten securely but do not overtighten to avoid damaging the threads.

2. Usage:

- Select the appropriate seaterhead for the bullet you are using to improve concentricity.
- Insert the cartridge case into the guide sleeve of the seater.
- Place the bullet into the cartridge case.
- Slowly and evenly apply pressure to the handle of the reloading press to seat the bullet.
- Inspect the seated bullet for proper alignment and concentricity.

3. Maintenance:

- Clean the seater regularly to prevent buildup of debris.
- Store the seater in a dry and secure location when not in use.
- Replace the seaterhead as needed to maintain optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations for nonhazardous materials.
- Do not dispose of the product in household waste.
- Consider recycling components where possible.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the TRIEBEL BenchRestSeater, please refer to the manual provided with your product. You can also check for updates and recall information on the EU's Safety Gate platform.

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL BenchRestSeater. Thank you for prioritizing safety and precision in your reloading activities.
