

SEATER WITH CRIMP FOR RIFLE CALIBERS - TRIEBEL Seater with Crimp 30-06 Springfield - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

Specs:

- Thread: 7/8"

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for TRIEBEL Seater with Crimp for Rifle Calibers

Introduction

Thank you for choosing the TRIEBEL Seater with Crimp for Rifle Calibers. This guide provides essential safety instructions, general guidelines, and usage instructions to ensure safe and effective operation of your bullet seater. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this manual.
- Always wear appropriate safety gear, including eye protection, when using this product.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage. Do not use if damaged.
- Store the product in a dry, secure location when not in use.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that all components are compatible with the specific bullet and cartridge being used.
- Avoid overtightening the seaterhead as it may cause damage or misalignment.
- Use the crimp feature only when necessary, as improper crimping can lead to safety hazards.
- Do not modify the product in any way that may affect its operation or safety.
- Always follow the manufacturer's instructions for installation and usage.

Instructions for Installation and Usage

Installation

1. **Prepare the Workspace:** Ensure your workspace is clean, welllit, and free from distractions.
2. **Select the SeaterHead:** Choose the appropriate seaterhead for the bullet you are using. This can improve accuracy and concentricity.
3. **Attach the SeaterHead:**
 - Unscrew the current seaterhead from the die.
 - Align the new seaterhead with the threads and screw it in securely.
4. **Set Up the Die:**
 - Insert the die into your reloading press according to the manufacturer's instructions.
 - Ensure it is securely fastened.

Usage

1. **Loading the Cartridge:**
 - Place the cartridge case in the shell holder of your reloading press.
 - Ensure it is properly aligned.
2. **Seating the Bullet:**
 - Insert the bullet into the case mouth.
 - Operate the press to lower the seaterhead onto the bullet.
 - Ensure the bullet is seated to the correct depth as specified for your load.
3. **Crimping (if applicable):**
 - If crimping is required, adjust the die accordingly.
 - Operate the press to crimp the cartridge case mouth as needed.
4. **Inspect the Cartridge:**
 - Check that the bullet is seated correctly and that the crimp is secure.

- Discard any cartridges that do not meet safety or quality standards.

Disposal Instructions

- Dispose of any unused or damaged cartridges in accordance with local regulations.
- Follow local guidelines for the disposal of metal and plastic components.
- Do not dispose of cartridges in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support for the TRIEBEL Seater with Crimp, please refer to the manufacturer's contact details provided in the product packaging or manual.

Conclusion

By following this safety instruction guide, you can ensure a safe and effective experience with the TRIEBEL Seater with Crimp for Rifle Calibers. Always prioritize safety and adhere to the guidelines outlined in this manual. Thank you for your commitment to safe reloading practices.
