

BENCH-REST-SEATERS FOR RIFLE CALIBERS - TRIEBEL Bench-Rest-Seater 308 Winchester - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity.

Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

Specs:

- Thread: 1 1/4"

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

TRIEBEL BenchRestSeaters for Rifle Calibers

Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL BenchRestSeater for your precision seating needs. This product is designed to enhance your reloading experience by ensuring the highest precision in seating match bullets. It is essential to follow the safety guidelines and instructions outlined in this manual to ensure safe and effective use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including eye protection, when handling ammunition and reloading equipment.
- Keep the workspace clean and free from clutter to prevent accidents.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the TRIEBEL BenchRestSeater with compatible cartridges, specifically the 308 Winchester.
- Ensure that the seaterhead is properly installed before use to avoid misalignment and potential hazards.
- Do not exceed the recommended thread size of 7/8" when attaching to your reloading press.
- Avoid using excessive force when seating bullets to prevent damaging the bullet or the seater.
- Always check for bullet runout to ensure concentricity, as improper seating can lead to safety issues during firing.
- If you experience any malfunction or irregularities during use, cease operation immediately and consult the manual or a qualified professional.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is turned off and unplugged before installation.
- Remove any existing die from your reloading press.
- Carefully screw the TRIEBEL BenchRestSeater onto the reloading press, ensuring a secure fit without overtightening.
- Select the appropriate seaterhead for the bullet you will be using and install it according to the manufacturer's instructions.

2. Usage:

- Prepare your cartridge case by cleaning and inspecting it for any defects.
- Insert the cartridge case into the seater and ensure it is properly aligned.
- Place the bullet into the cartridge case, ensuring it is seated correctly in the mouth of the case.
- Slowly and steadily operate the reloading press to seat the bullet. Monitor the process to ensure proper alignment and concentricity.
- After seating, remove the cartridge case and inspect the bullet for proper seating depth and alignment.

Disposal Instructions

- Dispose of any defective or damaged components according to local regulations.
- Do not throw the product in regular household waste. Instead, contact local waste management authorities for proper disposal methods.
- Ensure that all hazardous materials, such as spent primers and powder, are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For further assistance or inquiries regarding safety and usage, please refer to the manufacturer's support resources. Ensure that you have the product details handy when seeking support.

By following these guidelines and instructions, you can ensure a safe and effective experience with your TRIEBEL BenchRestSeater. Thank you for prioritizing safety in your reloading practices.
