

# FULL LENGTH DIES FOR RIFLE CALIBERS - TRIEBEL Full Length Die 338 Lapua Magnum - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length.

In addition to a removable expander our FL dies have an integrated primer ejector pin.

All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut.br>

## Specs:

- Thread: 1 1/4"
- Expander (diameter): 8.56mm

All relevant components have an article number for easy reordering if necessary.

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# TRIEBEL Full Length Die Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Full Length Die for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of the TRIEBEL Full Length Die for the 338 Lapua Magnum caliber. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the die is used only for its intended purpose and in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when using reloading equipment.
- Keep the workspace clean and organized to prevent accidents and ensure safe handling of components.
- Store the die and all reloading components out of reach of children and vulnerable individuals.
- Regularly inspect the die for wear and damage. Do not use if any parts are worn or damaged.
- Follow local laws and regulations regarding ammunition reloading and usage.

## Specific Safety Precautions for Use

- Always ensure that the reloading press is securely mounted and stable before use.
- Verify that the die is properly installed in the press before starting the sizing process.
- Use the correct cartridge case for the die to avoid mishaps and ensure proper sizing.
- Do not exceed recommended loads as specified in reloading manuals.
- Use caution when handling primers and powder, as they can be hazardous.
- Never attempt to modify the die or its components. Any alterations can compromise safety and functionality.

## Instructions for Installation and Usage

### 1. Installation of the Die:

- Ensure the reloading press is turned off and unplugged.
- Remove any existing dies from the press.
- Securely install the TRIEBEL Full Length Die into the press using the lock nut to set the correct position.

### 2. Preparing to Size Cartridge Cases:

- Inspect cartridge cases for damage or excessive wear.
- Ensure the die is clean and free from debris.
- If necessary, replace the expander and ejector pin as per the manual instructions.

### 3. Sizing Process:

- Insert the cartridge case into the die.
- Slowly raise the press handle to push the cartridge case into the die.
- The neck of the case will be calibrated as it is pushed through the die.
- After sizing, lower the handle to remove the case from the die.

### 4. PostUse Maintenance:

- Clean the die after use to prevent corrosion and buildup.

- Store the die in a dry place, preferably in its original packaging or a protective case.

## **Disposal Instructions**

- Dispose of any damaged or unusable parts according to local regulations.
- Ensure that all hazardous materials, such as primers and powders, are disposed of safely and responsibly.
- Contact local waste management services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the product manual or contact the manufacturer directly.

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Full Length Die. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety measures.
