

BENCH-REST NECK DIES FOR RIFLE CALIBERS - TRIEBEL Bench-Rest Neck Die 338 Lapua Magnum - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

Specs:

- Thread: 1 1/4"
- Neck Size Bushing (diameter): 9.2mm
- Expander (diameter): 8.56mm

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for TRIEBEL BenchRest Neck Die for Rifle Calibers

Introduction

Thank you for choosing the TRIEBEL BenchRest Neck Die for your reloading needs. This guide provides important safety information to ensure the proper and safe use of this product. Please read this manual carefully before use.

General Safety Guidelines

- Ensure safe handling and operation of the product to avoid accidents and injuries.
- Always wear appropriate safety gear, including eye protection, when reloading ammunition.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Regularly check for wear or damage to the die and replace any worn or damaged parts immediately.
- Be aware of the specific hazards associated with reloading, including the handling of gunpowder and primers.

Specific Safety Precautions for Use

- Read the manufacturer's instructions thoroughly before using the die.
- Use only the recommended cartridge cases and components to prevent malfunctions.
- Ensure that the die is properly installed and secured in your reloading press before use.
- Do not attempt to modify or alter the die in any way.
- Always work in a wellventilated area to minimize exposure to potentially harmful fumes.
- Store all reloading materials, including the die, in a cool, dry place away from direct sunlight.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is turned off and unplugged before installation.
- Remove any existing dies from the reloading press.
- Screw the TRIEBEL BenchRest Neck Die into the press's die holder, ensuring it is securely tightened.
- Adjust the die to the desired position according to the manufacturer's instructions.

2. Usage:

- Prepare the cartridge case by cleaning and inspecting it for defects.
- Insert the cartridge case into the die, ensuring it is properly aligned.
- Pull the handle of the reloading press to size the cartridge case.
- If using the optional expander, follow the instructions provided for proper use.
- After sizing, remove the cartridge case from the die and inspect it for proper dimensions.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away the die in regular waste. Contact local authorities for proper disposal methods.
- Ensure that all reloading materials are stored securely and disposed of responsibly to prevent environmental contamination.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided in the product manual or visit the manufacturer's website. It is important to have access to support for any questions or concerns regarding the use of the TRIEBEL BenchRest Neck Die.

Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with the TRIEBEL BenchRest Neck Die. Always prioritize safety and consult the manual for any specific questions or concerns. Thank you for choosing TRIEBEL for your reloading needs.
