

SEATER WITH CRIMP FOR RIFLE CALIBERS - TRIEBEL Seater with Crimp 338 Lapua Magnum - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

Specs:

- Thread: 1 1/4"

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

TRIEBEL Seater with Crimp for Rifle Calibers

Safety Instructions

Introduction

Thank you for choosing the TRIEBEL Seater with Crimp for Rifle Calibers. This product is designed to provide precision and reliability in bullet seating for your reloading needs. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use and complies with the EU General Product Safety Regulation (GPSR). Always handle it with care.
- **Enhanced Recalls:** In the event of a safety issue, standardized recall notices will be issued. Please stay informed about any recalls related to this product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements equivalent to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when this product is used around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, you may need to contact a designated EU-based authority.
- **Rapid Alerts:** Stay updated on any unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the TRIEBEL Seater.
- Ensure that the work area is clean and free of any obstructions that may cause accidents.
- Keep the product out of reach of children and unauthorized users.
- Check the product for any signs of damage before use. Do not use if damaged.
- Use only compatible bullets and cartridge cases as specified in the product guidelines.
- Follow all local laws and regulations regarding firearms and ammunition reloading.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Thread the TRIEBEL Seater onto the reloading press using the provided specifications (1 1/4").
- Tighten securely but do not overtighten to avoid damage.

2. Usage:

- Select the appropriate seater head for the bullet you are using. This can enhance concentricity and accuracy.
- Place the cartridge case into the die and ensure it is seated properly.
- Insert the bullet into the cartridge case and raise the ram of the press to seat the bullet.
- If crimping is desired, adjust the die accordingly to apply the crimp to the cartridge case mouth.
- Inspect the finished cartridge for proper seating and crimping before use.

Disposal Instructions

- Dispose of any defective or damaged components responsibly, in accordance with local regulations.
- Do not dispose of any product parts in regular household waste. Instead, take them to a designated

recycling or hazardous waste facility.

Contact Information for Further Support

For further assistance or inquiries regarding the TRIEBEL Seater with Crimp for Rifle Calibers, please consult the product manual or reach out to your retailer for support.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
