

# **BENCH-REST-SEATERS FOR RIFLE CALIBERS - TRIEBEL Bench-Rest- Seater 338 Lapua Magnum - 1 1/4"**

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

NO IMAGE  
AVAILABLE

This ensures perfect concentricity.

Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

## **Specs:**

- Thread: 1 1/4"

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# TRIEBEL BenchRestSeater Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL BenchRestSeater for your rifle caliber needs. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle ammunition and reloading equipment with care to avoid accidents.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Use the product only for its intended purpose to prevent misuse and potential hazards.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when using the BenchRestSeater.
- Ensure that the work area is clean and free from obstructions to avoid accidents.
- Keep fingers and other body parts clear of the seating area during operation.
- Do not exceed the recommended specifications for the product, including the maximum thread size.
- Use only the correct seaterhead for the bullet type being used to ensure optimal performance and safety.
- Be aware of the potential for bullet runout and take necessary steps to minimize this risk.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the work surface is stable and secure.
- Attach the BenchRestSeater to your reloading press following the manufacturer's instructions.
- Verify that the seaterhead is properly installed and tightened.

### 2. Usage

- Prepare your cartridge cases by cleaning and inspecting them for defects.
- Select the appropriate seaterhead based on the bullet type.
- Insert the cartridge case into the BenchRestSeater.
- Place the bullet into the case and ensure it is aligned correctly.
- Slowly and steadily operate the reloading press to seat the bullet.
- Inspect the seated bullet for concentricity and proper seating depth.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is damaged or no longer in use, follow local guidelines for disposing of metal and plastic components.
- Do not dispose of the product in regular household waste. Instead, look for recycling options in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIEBEL BenchRestSeater, please refer to the manufacturer's contact information provided in the product packaging or manual. It is important to have access to support for safe and effective product usage.

Thank you for prioritizing safety and responsible use of your TRIEBEL BenchRestSeater. Enjoy your reloading experience!
