

# SEATER WITH CRIMP FOR RIFLE CALIBERS - TRIEBEL Seater with Crimp 50 Browning (50 BMG) - 1 1/2"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

NO IMAGE  
AVAILABLE

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

## Specs:

- Thread: 1 1/2"

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# TRIEBEL Seater with Crimp Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seater with Crimp for Rifle Calibers, specifically designed for 50 Browning (50 BMG). This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product.

## General Safety Guidelines

- Always read and understand the instructions before using the TRIEBEL Seater.
- Ensure that the product is used only for its intended purpose.
- Keep the Seater out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when operating the Seater.
- Be aware of your surroundings and ensure a safe working environment.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper use may lead to accidents or injuries.
- Inadequate crimping can affect bullet performance and safety.

### • Avoiding Hazards:

- Always ensure the cartridge is properly seated before crimping.
- Do not exceed the recommended specifications for the Seater.
- Avoid using the Seater with incompatible cartridges.
- Ensure that the work area is clean and free from obstructions.

### • Age Restrictions:

- This product is intended for use by individuals who are of legal age to handle ammunition and firearms. Ensure compliance with local laws and regulations.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that the Seater is clean and free of debris.
2. Attach the Seater to the reloading press using the 1 1/2" threads.
3. Tighten securely, but do not overtighten to avoid damage.

### • Usage:

1. Select the appropriate seaterhead for the bullet you are using.
2. Insert the cartridge case into the Seater.
3. Adjust the seating depth as required for your specific bullet.
4. Apply the crimp if desired by following the manufacturer's instructions.
5. Inspect the seated bullet for proper alignment and crimp.

- **PostUsage:**

- Clean the Seater after each use to maintain performance.
- Store the Seater in a dry, safe location away from children.

## Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations.
- Recycle materials when possible, following your local waste management guidelines.
- Do not dispose of ammunition or components in regular household waste.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of the TRIEBEL Seater, please refer to the product manual or contact your local distributor.

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Seater with Crimp. Always prioritize safety and adhere to best practices when handling ammunition and reloading equipment.
