

BENCH-REST NECK DIES FOR RIFLE CALIBERS - TRIEBEL Bench-Rest Neck Die 6.5x47 Lapua - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

Specs:

- Thread: 7/8"
- Neck Size Bushing (diameter): 7.2mm
- Expander (diameter): 6.65mm

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for TRIEBEL BenchRest Neck Dies for Rifle Calibers

Introduction

Thank you for choosing the TRIEBEL BenchRest Neck Die 6.5x47 Lapua. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the die to avoid any potential hazards.

General Safety Guidelines

- Always read and follow all safety instructions and warnings provided with the product.
- Ensure that the die is used only for its intended purpose—sizing rifle cartridge necks.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling ammunition and reloading components.
- Regularly inspect the die for signs of wear or damage. Do not use a damaged die.
- Store the die in a cool, dry place to prevent corrosion and damage.

Specific Safety Precautions for Use

- Ensure that the die is securely attached to the reloading press before use.
- Do not exceed the recommended specifications for cartridge dimensions and weights.
- Always doublecheck the compatibility of the die with your specific reloading setup.
- Avoid distractions while reloading to maintain focus and precision.
- Follow recommended procedures for handling and disposing of spent primers and other waste materials.
- If you experience any difficulty during the reloading process, stop and consult the manual or seek assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is clean and free from debris.
- Screw the TRIEBEL BenchRest Neck Die into the reloading press using the 7/8" thread. Tighten securely but do not overtighten.
- Insert the appropriate neck size bushing into the die according to the specifications for your cartridge.

2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for damage.
- Place a cartridge case into the die and ensure it is seated properly.
- Operate the reloading press to size the neck of the cartridge case. Use smooth, even pressure.
- After sizing, remove the cartridge case and inspect it for proper sizing.
- If using the optional expander or primer ejector pin, follow the manufacturer's instructions for installation and use.

Disposal Instructions

- Dispose of any spent primers and other reloading waste in accordance with local regulations.
- Do not dispose of the die or any metal components in regular household waste. Check with local recycling programs for appropriate disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL BenchRest Neck Die, please refer to the product manual or contact your local distributor for assistance.

Conclusion

Following these safety instructions will help ensure a safe and effective reloading experience with your TRIEBEL BenchRest Neck Die. Always prioritize safety and consult the manual for any additional information regarding the use and maintenance of this product. Thank you for your attention to these important safety guidelines.
