

BENCH-REST-SEATERS FOR RIFLE CALIBERS - TRIEBEL Bench-Rest-Seater 6.5x55 SE - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity.

Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

Specs:

- Thread: 7/8"

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for TRIEBEL BenchRestSeaters for Rifle Calibers

Introduction

Thank you for choosing the TRIEBEL BenchRestSeater for your rifle caliber needs. This product is designed to provide precision and reliability in seating match bullets. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the manual.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Store the product in a dry and secure location when not in use.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using the BenchRestSeater.
- Ensure that the workspace is clean and free from distractions.
- Do not exceed the recommended specifications for the product.
- Avoid using the product if you are under the influence of drugs or alcohol.
- Handle all ammunition with care and in accordance with safety guidelines.

Instructions for Installation and Usage

1. Installation

- Ensure that your work area is clean and organized.
- Secure the BenchRestSeater onto a stable surface.
- Check that the threads are compatible (7/8") before installation.
- Attach the seaterhead according to the manufacturer's instructions.

2. Usage

- Insert the cartridge case into the guide sleeve.
- Place the bullet into the seaterhead.
- Apply steady pressure to seat the bullet into the cartridge case.
- Check for concentricity after seating the bullet.
- Replace the seaterhead if necessary for improved performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided in the product manual. Ensure that you have the product details available for reference.

By following these safety instructions, you can help ensure a safe and effective experience with your TRIEBEL BenchRestSeater. Thank you for your attention to safety.
