

# BENCH-REST NECK DIES FOR RIFLE CALIBERS - TRIEBEL Bench-Rest Neck Die 6.5x55 SE - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

## Specs:

- Thread: 1 1/4"
- Neck Size Bushing (diameter): 7.3mm
- Expander (diameter): 6.66mm

All relevant components have an article number for easy reordering if necessary.

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# TRIEBEL BenchRest Neck Die Safety Instructions

## Introduction

Thank you for choosing the TRIEBEL BenchRest Neck Die for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before use.

## General Safety Guidelines

- Always handle the die with care to avoid injury.
- Ensure the die is used in a wellventilated area.
- Keep the die and all related tools out of the reach of children.
- Follow all local laws and regulations regarding reloading and firearms.
- Regularly inspect the die for signs of wear or damage before each use.
- Use appropriate personal protective equipment, such as safety glasses and gloves, while reloading.

## Specific Safety Precautions for Use

- Ensure that the die is compatible with the specific caliber you are reloading.
- Do not exceed the recommended load limits for your cartridges.
- Always verify that the die is securely attached to the reloading press before use.
- Use the die only for its intended purpose – neck sizing of cartridge cases.
- Avoid placing hands or fingers near the die while operating the reloading press.
- If you experience any unusual resistance or difficulty while resizing, stop immediately and inspect the die and cartridge case for issues.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Reloading Press:** Ensure your reloading press is clean and free of any obstructions.
2. **Attach the Die:**
  - Thread the TRIEBEL BenchRest Neck Die into the reloading press using the 1 1/4" threads.
  - Tighten securely but do not overtighten to avoid damaging the die.
3. **Insert the Bushing:**
  - Select the appropriate neck size bushing (7.3mm) and insert it into the die.
  - Ensure it is seated properly.

### Usage

1. **Prepare Cartridge Cases:** Clean and inspect all cartridge cases before reloading.
2. **Adjust the Die:** Set the die to the desired depth to achieve the correct neck sizing.
3. **Insert Cartridge Case:**
  - Place the cartridge case into the guide sleeve of the die.
  - Ensure it is aligned properly.
4. **Sizing Process:**
  - Operate the reloading press smoothly to size the cartridge case.
  - Monitor for any resistance and stop if necessary.
5. **Remove the Cartridge Case:** After sizing, carefully remove the cartridge case from the die.
6. **Inspect the Sized Case:** Check the neck size and ensure it meets your specifications.

## **Disposal Instructions**

When disposing of the TRIEBEL BenchRest Neck Die or any related materials:

- Follow local regulations for disposal of reloading equipment and materials.
- Consider recycling metal components where applicable.
- Do not dispose of the die in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the TRIEBEL BenchRest Neck Die, please contact the manufacturer directly. Ensure you have your product details ready for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with your TRIEBEL BenchRest Neck Die. Always prioritize safety and compliance with local regulations while enjoying your reloading activities.
