

# BENCH-REST-SEATERS FOR RIFLE CALIBERS - TRIEBEL Bench-Rest-Seater 6.5x55 SE - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity.

Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

## Specs:

- Thread: 1 1/4"

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# Safety Instruction Guide for TRIEBEL BenchRestSeaters for Rifle Calibers

## Introduction

Thank you for choosing the TRIEBEL BenchRestSeater for your precision shooting needs. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before using the BenchRestSeater.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms and ammunition with care and responsibility.
- Keep the BenchRestSeater out of reach of children and unauthorized users.
- Use the product in a wellventilated area to avoid inhalation of any dust or particles.
- Regularly inspect the product for wear or damage before each use.
- If you notice any defects or abnormalities, do not use the product and contact a qualified professional for assistance.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and hearing protection, when using the BenchRestSeater.
- Ensure that the firearm is unloaded and pointed in a safe direction when installing or adjusting the seater.
- Do not exceed the recommended specifications for the BenchRestSeater as outlined in this guide.
- Be cautious of the potential for "bullet runout" and ensure proper alignment during the seating operation.
- Use only the recommended seater heads compatible with your specific bullet type to maintain concentricity.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your workspace is clean and free from any distractions.
- Gather all necessary tools and materials, including the BenchRestSeater, compatible seater heads, and your ammunition.

### 2. Installation:

- Secure the BenchRestSeater in a stable and appropriate reloading press.
- Select the correct seater head based on the bullet type you will be using.
- Attach the seater head to the BenchRestSeater by following the manufacturer's instructions.

### 3. Seating Operation:

- Insert the cartridge case into the BenchRestSeater.
- Align the bullet with the cartridge case and gently push it into the seater.
- Apply even pressure to ensure proper seating of the bullet.
- Regularly check for concentricity during the seating process to avoid any misalignment.

### 4. PostUse:

- After use, clean the BenchRestSeater to remove any residue or debris.
- Store the product in a safe, dry place away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of any unused or damaged components of the BenchRestSeater in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIEBEL BenchRestSeater, please consult the product manual or reach out to your retailer for assistance.

By following these guidelines, you can ensure a safe and effective experience with your TRIEBEL BenchRestSeater. Thank you for prioritizing safety in your shooting activities.
