

FULL LENGTH DIES FOR RIFLE CALIBERS - TRIEBEL Full Length Die 8x57 IS - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length.

In addition to a removable expander our FL dies have an integrated primer ejector pin.

All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut.br>

Specs:

- Thread: 7/8"
- Expander (diameter): 8.17mm

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

TRIEBEL Full Length Dies for Rifle Calibers Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Full Length Die 8x57 IS. This guide provides essential safety instructions, usage guidelines, and disposal information to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the die is used only for the specified cartridge caliber (8 x 57 mm JS).
- Always use protective eyewear when handling and operating the die.
- Keep the die and all components out of reach of children and vulnerable individuals.
- Regularly inspect the die for wear and damage before use.
- Follow all local laws and regulations regarding the use of reloading equipment.
- In case of any malfunction or unexpected behavior, cease use immediately and consult a professional.

Specific Safety Precautions for Use

• Hazard Identification:

- Improper use of the die can lead to personal injury or damage to the firearm.
- The die may have sharp edges; handle with care to avoid cuts.
- Ensure that the die is securely mounted in the press to prevent accidents during operation.

• Avoiding Hazards:

- Always doublecheck that the die is properly calibrated before use.
- Use the die only with compatible cartridge cases to avoid misfires or damage.
- Do not exceed recommended specifications for cartridge loading.

• AgeSpecific Warnings:

- This product is intended for use by individuals who are knowledgeable about firearms and reloading processes.
- Keep this product away from individuals under the legal age for purchasing or using firearms and ammunition.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted on a stable surface.
- Screw the die into the press using the 7/8" threads until firmly in place.
- Use the lock nut to secure the die's position.

2. Calibration:

- Insert the cartridge case into the die.
- Push the case into the die to size it fully.
- The neck of the case will be calibrated as it exits the die.

3. Using the Expander and Ejector Pin:

- The die includes a removable expander and an integrated primer ejector pin.
- If necessary, these components can be replaced easily with minimal effort.

4. PostUse Care:

- After use, clean the die to remove any debris or residue.
- Store the die in a dry and safe location to prevent damage.

Disposal Instructions

- Dispose of the die and any damaged components in accordance with local regulations.
- Do not dispose of the die in regular household waste.
- If unsure about disposal methods, consult local waste management authorities for guidance.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the product manual. It contains additional instructions and information regarding accessories and spare parts.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and effective experience with the TRIEBEL Full Length Die for Rifle Calibers. Always stay informed about safety practices and report any unsafe products or incidents to the appropriate authorities. Thank you for your attention to these important safety instructions.
