

# BENCH-REST NECK DIES FOR RIFLE CALIBERS - TRIEBEL Bench-Rest Neck Die 8x57 IS - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

## Specs:

- **Thread: 7/8"**
- **Neck Size Bushing (diameter): 8.80mm**
- **Expander (diameter): 8.17mm**

All relevant components have an article number for easy reordering if necessary.

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# Safety Instruction Guide for TRIEBEL BenchRest Neck Die 8x57 IS

## Introduction

Thank you for choosing the TRIEBEL BenchRest Neck Die 8x57 IS. This guide is designed to ensure the safe and effective use of your reloading die. Please read this manual carefully before use to understand the safety precautions and instructions.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the reloading die out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses and gloves, while handling reloading equipment.
- Inspect the die and its components for any damage before use. Do not use a damaged die.
- Follow all local laws and regulations regarding reloading and ammunition.

## Specific Safety Precautions for Use

- Always work in a wellventilated area to avoid inhalation of any particles or fumes.
- Avoid distractions while reloading to maintain focus and accuracy.
- Use the die only with compatible cartridge cases to prevent malfunction or accidents.
- Do not exceed the recommended specifications for your ammunition to avoid dangerous situations.
- Ensure that the reloading bench is stable and free from clutter to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Securely attach the die to your reloading press using the 7/8" threads.
- Ensure that the die is tightened properly to avoid any movement during operation.

### 2. Usage:

- Insert the cartridge case into the guide sleeve of the die.
- Pull the handle of the reloading press to size the cartridge case. Ensure that the die is aligned properly for accurate sizing.
- If using the optional expander, follow the manufacturer's instructions for installation and use.
- After reloading, inspect each cartridge for proper sizing and any defects.

### 3. Maintenance:

- Clean the die regularly to remove any debris or residue.
- Store the die in a dry place to prevent rust and corrosion.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste. Follow proper hazardous waste disposal guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIEBEL BenchRest Neck Die 8x57 IS, please refer to the manual for further instructions and assistance in selecting accessories and spare parts.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience. Always prioritize safety and stay informed about best practices in ammunition reloading. Thank you for choosing TRIEBEL products.
