

BENCH-REST-SEATERS FOR RIFLE CALIBERS - TRIEBEL Bench-Rest-Seater 8x57 IS - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity.

Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

Specs:

- Thread: 7/8"

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for TRIEBEL BenchRestSeaters for Rifle Calibers

Introduction

Thank you for choosing the TRIEBEL BenchRestSeater for your rifle caliber needs. This product is designed to provide you with the highest precision in seating match bullets. It is essential to use this product safely and correctly to ensure optimal performance and to minimize any potential risks. This guide provides important safety instructions, usage guidelines, and contact information for further support.

General Safety Guidelines

- Always read and understand the product manual before using the BenchRestSeater.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses when operating the product.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended specifications for the BenchRestSeater. Overloading can lead to malfunction or injury.
- **Correct Setup:** Ensure that the BenchRestSeater is correctly set up and securely fastened before use.
- **Handling Bullets:** Handle bullets with care to avoid accidental discharge. Always treat every bullet as if it is live.
- **Proper Tools:** Use the correct tools for installation and adjustments. Using improper tools can lead to accidents.
- **Focus on Concentricity:** When selecting the seater head, ensure it matches the bullet used to improve concentricity and reduce the risk of misfires.
- **Avoid Distractions:** Do not operate the BenchRestSeater when distracted or under the influence of substances that impair judgment.

Instructions for Installation and Usage

1. **Unboxing:** Carefully unpack the BenchRestSeater and ensure all components are included.
2. **Inspection:** Inspect all parts for any damage or defects before assembly.
3. **Assembly:**
 - Attach the seater head to the main body of the BenchRestSeater by following the included instructions.
 - Ensure that the threads are tightly secured (7/8").
4. **Setup:**
 - Place the BenchRestSeater on a stable surface.
 - Align the guide sleeve with the cartridge chamber for proper axial guidance.
5. **Seating Bullets:**
 - Insert the cartridge case into the BenchRestSeater.
 - Place the bullet into the seater head.
 - Gently push down to seat the bullet into the cartridge case while ensuring concentricity.
6. **PostUse:**
 - Clean the BenchRestSeater after each use to maintain performance.
 - Store the product in a dry, safe place away from children.

Disposal Instructions

- Dispose of the BenchRestSeater and any associated components in accordance with local regulations.
- Do not dispose of in regular household waste if the product is damaged or contains hazardous materials.
- Consider recycling options if available.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please reach out to the appropriate EU contact point. Ensure you have your product details ready for efficient assistance.

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL BenchRestSeater. Always prioritize safety and refer to the manual for any specific queries regarding the product.
