

# **BENCH-REST NECK DIES FOR RIFLE CALIBERS - TRIEBEL Bench-Rest Neck Die 8x68 S - 1 1/4"**

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

AVAILABLE

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

## **Specs:**

- Thread: 1 1/4"
- Neck Size Bushing (diameter): 8.9mm
- Expander (diameter): 8.17mm

All relevant components have an article number for easy reordering if necessary.

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# Safety Instruction Guide for TRIEBEL BenchRest Neck Dies for Rifle Calibers

## Introduction

Thank you for choosing the TRIEBEL BenchRest Neck Die 8x68 S. This product is designed to provide precise and reliable performance for your reloading needs. To ensure your safety and the optimal use of this product, please read and follow the guidelines outlined in this manual.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the die by following all instructions carefully. This product is designed for nonfood use and should be handled with care.
- **Enhanced Recalls:** Stay informed about recalls. If you receive a recall notice, follow the instructions provided to return or remedy the product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations.
- **Vulnerable Groups:** Keep this product out of reach of children and ensure that it is used only by individuals familiar with reloading practices.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Personal Protective Equipment:** Always wear safety glasses and gloves when handling reloading equipment.
- **Work Area:** Ensure your work area is clean, welllit, and free of distractions. Keep flammable materials away from the reloading area.
- **Handling Components:** Handle all reloading components with care. Avoid using damaged or worn parts.
- **Storage:** Store the die and other reloading components in a secure location, away from children and unauthorized users.
- **Training:** Only use this die if you are knowledgeable about reloading practices. Consider seeking guidance from experienced reloaders or attending a reloading workshop.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that your reloading press is compatible with the TRIEBEL BenchRest Neck Die.
2. Securely install the die into the reloading press using the provided threads (1 1/4").
3. Verify that the die is properly aligned and tightened before use.

### • Usage:

1. Prepare your cartridge cases by cleaning and inspecting them for damage.
2. Insert the cartridge case into the guide sleeve of the neck die.
3. Apply steady pressure on the reloading press to size the cartridge case.
4. If using the optional expander, follow the instructions included with the expander for proper usage.
5. After sizing, remove the cartridge case and inspect it for proper dimensions.

### • Maintenance:

1. Clean the die after each use to remove any residue.
2. Store the die in a protective case to prevent damage.

## Disposal Instructions

- **Dispose of Unused Components:** Follow local regulations for disposing of any unused or damaged reloading components.
- **Recycling:** Check for recycling options for metal and plastic components where applicable.

## Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL BenchRest Neck Die, please refer to the contact information provided by your retailer or the manufacturer. It is important to seek assistance if you encounter any issues or have safety concerns.

By following these safety instructions, you can ensure a safe and effective reloading experience with your TRIEBEL BenchRest Neck Die. Thank you for your attention to these important guidelines.
