

# **BENCH-REST-SEATERS FOR RIFLE CALIBERS - TRIEBEL Bench-Rest- Seater 9.3x62 - 7/8"**

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

NO IMAGE  
AVAILABLE

This ensures perfect concentricity.

Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

## **Specs:**

- Thread: 7/8"

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# Safety Instruction Guide for TRIEBEL BenchRestSeaters for Rifle Calibers

## Introduction

Thank you for choosing the TRIEBEL BenchRestSeater 9.3x62. This product is designed for precision seating of match bullets, ensuring the highest accuracy in your shooting activities. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always handle all firearmrelated equipment with care and follow standard safety practices.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using this product.
- Use the BenchRestSeater only with compatible cartridges as specified (9.3 x 62 Mauser).
- Ensure that the seating operation is performed in a stable and secure environment to avoid accidents.
- Do not exceed the recommended thread specifications (7/8") when attaching the seater to your reloading equipment.
- Handle bullets and cartridges with care to avoid injury.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the workspace is clean and free of obstructions.
- Attach the BenchRestSeater to your reloading press using the 7/8" thread.
- Confirm that the seater is securely fastened before proceeding.

### 2. Usage:

- Place the cartridge case into the seater, ensuring it is properly aligned.
- Insert the bullet into the cartridge case.
- Gradually and evenly apply pressure to the seater handle to seat the bullet.
- Monitor the process to ensure that both the cartridge case and bullet are guided correctly for concentricity.
- After use, clean the seater to maintain its functionality.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer usable, dispose of it responsibly to minimize environmental impact.
- Check for local recycling programs that accept metal and plastic components.

## Contact Information for Further Support

For any safety inquiries or support regarding the TRIEBEL BenchRestSeater, please refer to the manual provided

with your product.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure safe and effective use of the TRIEBEL BenchRestSeater. Thank you for your attention to these important safety instructions.
