

# FULL LENGTH DIES FOR RIFLE CALIBERS - TRIEBEL Full Length Die 9.3x62 - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length.

In addition to a removable expander our FL dies have an integrated primer ejector pin.

All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut.

## Specs:

- Thread: 1 1/4"
- Expander (diameter): 9.25mm

All relevant components have an article number for easy reordering if necessary.

# TRIEBEL Full Length Dies for Rifle Calibers Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Full Length Die for 9.3x62 caliber rifles. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this document carefully before using the die to understand the precautions necessary for safe operation.

## General Safety Guidelines

- Ensure that all users are familiar with the safe handling of firearms and ammunition.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the die.
- Keep the workspace clean and free of obstructions to prevent accidents.
- Store the die in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the die for wear or damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding the use and handling of ammunition and reloading equipment.

## Specific Safety Precautions for Use

- Use the die only for its intended purpose: sizing cartridge cases for 9.3x62 caliber rifles.
- Ensure that the die is properly mounted in the reloading press before use.
- Always check that the expander and ejector pin are functioning correctly before starting the sizing process.
- Do not exceed the recommended load specifications when reloading ammunition.
- Be cautious when handling resized cartridge cases, as they may be sharp or have residual lubrication.
- Do not attempt to modify the die or its components, as this may compromise safety and performance.
- If you experience any malfunctions or unsafe conditions, stop using the die immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Securely attach the TRIEBEL Full Length Die to your reloading press using the provided lock nut.
- Ensure that the die is aligned properly with the press ram for effective operation.
- Check that the expander and ejector pin are installed correctly and functioning.

### 2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for defects.
- Insert the cartridge case into the die until it is fully seated.
- Operate the press handle to size the cartridge case. Ensure that the die is calibrated correctly during this process.
- Once the cartridge case is sized, carefully remove it from the die.
- Inspect the neck tension and overall sizing of the cartridge case to ensure it meets safety standards.

### 3. Maintenance:

- After use, clean the die to remove any debris or lubricant.

- Store the die in a protective case to prevent damage when not in use.
- Replace any worn or damaged components, such as the expander or ejector pin, as necessary.

## Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the die or its parts in regular household waste. Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or replacement parts, please consult the manual provided with your TRIEBEL Full Length Die. You can also reach out to the manufacturer for additional support.

By following these safety instructions, you can ensure a safe and efficient reloading experience with your TRIEBEL Full Length Die. Always prioritize safety and adhere to best practices during use. Thank you for your attention to these important guidelines.
