

BENCH-REST NECK DIES FOR RIFLE CALIBERS - TRIEBEL Bench-Rest Neck Die 9.3x62 - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

Specs:

- Thread: 1 1/4"
- Neck Size Bushing (diameter): 9.8mm
- Expander (diameter): 9.25mm

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

TRIEBEL BenchRest Neck Die Safety Instructions

Introduction

Thank you for choosing the TRIEBEL BenchRest Neck Die for your reloading needs. This product is designed for precision and safety in mind. Please read this safety instruction guide carefully to ensure safe and effective use of the die.

General Safety Guidelines

- Always handle the die with care, as it is a precision tool.
- Ensure you are using the die in a wellventilated area to avoid inhalation of any debris or particles.
- Keep the die and all reloading components out of reach of children and unauthorized individuals.
- Always wear appropriate safety gear, including safety glasses, when using the die.
- Regularly inspect the die for any signs of wear or damage before each use.
- Familiarize yourself with the specific features and functions of the die to ensure proper operation.

Specific Safety Precautions for Use

- Use only the recommended cartridge cases for this die (e.g., 9.3 x 62 Mauser).
- Ensure that the die is properly installed and securely fastened to your reloading press before use.
- Do not exceed the recommended load limits for your cartridge to avoid dangerous situations.
- Always follow the manufacturer's guidelines for the reloading process.
- If you encounter any issues during the reloading process, cease operation immediately and consult the manual or a qualified professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is turned off and unplugged.
- Carefully remove the die from its packaging.
- Thread the die into the reloading press using the 1 1/4" threads, making sure it is securely fastened.
- Install the interchangeable precision ground bushing according to the specifications for your cartridge.

2. Usage:

- Prepare your cartridge case by cleaning it thoroughly.
- Insert the cartridge case into the guide sleeve of the die.
- Begin the sizing process by operating the reloading press according to the manufacturer's instructions.
- If using the optional expander, follow the specific instructions for its use.
- After the reloading process, inspect the cartridge for any abnormalities before use.

Disposal Instructions

- Dispose of any used or damaged components in accordance with local regulations.
- Do not dispose of the die or its components in regular household waste.
- Contact your local waste management authority for information on proper disposal methods for reloading materials.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL BenchRest Neck Die, please refer to the product manual or consult with a qualified professional. Remember to check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

By following these safety instructions, you can ensure a safe and effective reloading experience with your TRIEBEL BenchRest Neck Die. Thank you for your attention to safety!
