

# SEATER WITH CRIMP FOR RIFLE CALIBERS - TRIEBEL Seater with Crimp 9.3x62 - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

NO IMAGE  
AVAILABLE

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

## Specs:

- Thread: 1 1/4"

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# TRIEBEL Seater with Crimp Safety Instructions

## Introduction

Thank you for choosing the TRIEBEL Seater with Crimp for Rifle Calibers. This product is designed to provide precision and reliability in bullet seating. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** This product is designed to meet safety standards for nonfood items. Ensure that you are familiar with the safe use of this product before operating it.
- **Enhanced Recalls:** Always check for any recall notices related to this product. If a recall occurs, follow the instructions provided for safe returns or remedies.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact point for assistance.
- **Rapid Alerts:** Stay informed about updates on unsafe products through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Read the Manual:** Before using the TRIEBEL Seater, read the manual thoroughly to understand its features and functions.
- **Inspect Before Use:** Check the product for any visible damage or defects before use. Do not use a damaged seater.
- **Use Appropriate Accessories:** Only use recommended accessories and spare parts as outlined in the manual.
- **Wear Safety Gear:** Always wear appropriate safety gear, such as safety glasses and gloves, when operating the seater.
- **Work in a Safe Environment:** Ensure your workspace is clean, organized, and free from hazards that could interfere with the operation of the product.
- **Keep Away from Heat Sources:** Avoid using the product near open flames or heat sources to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the work surface is stable and secure.
- Follow the manual's instructions to install the seater securely onto your reloading press.
- Ensure that the threading is properly aligned and tightened to avoid any movement during operation.

### 2. Usage:

- Prepare your cartridge case and bullet according to the specifications provided in the manual.
- Adjust the seaterhead according to the bullet type you are using for optimal performance.
- Insert the cartridge case into the seater and ensure it is positioned correctly.
- Gently lower the seaterhead to seat the bullet into the cartridge case.
- If crimping is required, adjust the seater to apply the crimp as needed.
- Inspect each completed cartridge to ensure proper seating and crimping.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the product is no longer in use, dispose of it in accordance with local waste management regulations.
- Do not dispose of the product in fire or water bodies.

## **Contact Information for Further Support**

For further support or inquiries regarding safety and usage, please refer to the manual for guidance on reaching out to the appropriate contact points.

By following these guidelines, you can ensure the safe and effective use of the TRIEBEL Seater with Crimp for Rifle Calibers. Thank you for prioritizing safety in your reloading activities.
