

# **BENCH-REST-SEATERS FOR RIFLE CALIBERS - TRIEBEL Bench-Rest- Seater 9.3x62 - 1 1/4"**

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

NO IMAGE  
AVAILABLE

This ensures perfect concentricity.

Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

## **Specs:**

- Thread: 1 1/4"

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

## Safety Instruction Guide

### Introduction

Thank you for choosing the TRIEBEL BenchRestSeater for your rifle caliber needs. This product is designed to provide the highest precision in seating match bullets. To ensure safe and effective use, please read this safety instruction guide carefully.

### General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Be aware of potential hazards associated with the use of reloading equipment, including but not limited to:
  - Improper handling of ammunition components.
  - Risks of injury from sharp tools and equipment.
  - Potential for malfunction if the product is not used as intended.
- Always store the product in a safe place, out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.

### Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the BenchRestSeater.
- Ensure the work area is clean and free of obstructions to prevent accidents.
- Do not exceed the recommended specifications for the product, including the thread size of 1 1/4".
- Use only compatible bullet types with the BenchRestSeater to ensure proper functionality and safety.
- Follow all local laws and regulations regarding the handling and reloading of ammunition.

### Instructions for Installation and Usage

#### 1. Installation:

- Carefully unpack the BenchRestSeater and check for any damages.
- Ensure that the seaterhead is securely attached to the main body of the seater.
- Attach the BenchRestSeater to your reloading press, ensuring it is tightened properly.

#### 2. Usage:

- Insert the cartridge case into the seater.
- Use the guide sleeve to align the cartridge case for perfect axial guidance during the seating operation.
- Place the bullet into the case and ensure it is properly positioned.
- Gradually apply pressure to the seater handle to seat the bullet.
- Check the concentricity of the bullet after seating to ensure precision.

#### 3. Maintenance:

- Regularly inspect the product for wear and tear, especially the seaterhead.
- Clean the BenchRestSeater after each use to prevent buildup of debris.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, consult local waste management guidelines for proper disposal of reloading equipment.

## Contact Information for Further Support

For safety inquiries or further assistance regarding the TRIEBEL BenchRestSeater, please consult the manual or contact your local retailer for support.

Thank you for prioritizing safety while using the TRIEBEL BenchRestSeater. Your adherence to these guidelines helps ensure a safe reloading experience.
