# TRIEBEL Seaterhead Safety Instructions

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 10,3/.415 Type: KS. This product is designed as an accessory for seater with crimp and benchrestseaters from Triebel. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- This product is intended for use by individuals who are knowledgeable about reloading and firearms.
- Do not use the Seaterhead if it appears damaged or has been subjected to excessive wear.
- Keep the product out of reach of children and unauthorized users.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading equipment.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always check the compatibility of the Seaterhead with your specific reloading equipment before use.
- Do not exceed the recommended specifications for caliber and dimensions.
- Avoid placing your hands or any body parts near moving parts during operation.
- Ensure that the workspace is clean and free from distractions while using the Seaterhead.
- Use only the recommended tools and accessories as specified in the manual.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Remove any existing seater heads from the press.
- Align the TRIEBEL Seaterhead with the mounting point of the press.
- Secure the Seaterhead in place according to the manufacturer's instructions.
- Doublecheck that the Seaterhead is firmly attached before proceeding.

### 2. Usage:

- Refer to the reloading manual for specific instructions on how to use the Seaterhead with your equipment.
- Load the appropriate caliber and ensure that the Seaterhead is correctly adjusted for the desired bullet seating depth.
- Operate the reloading press according to the manual, ensuring that all safety precautions are followed.
- After use, clean the Seaterhead and store it in a safe place.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the Seaterhead becomes damaged beyond repair, dispose of it in a manner that prevents accidental injury to others.
- Check local regulations for specific guidelines on disposing of reloading equipment.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIEBEL Seaterhead, please refer to the manual for guidance. If you require further assistance, please reach out to your local dealer or the manufacturer directly.

Thank you for prioritizing safety while using the TRIEBEL Seaterhead. Enjoy your reloading experience responsibly!
