# Safety Instruction Guide for TRIEBEL Seaterhead Caliber 10,57/.416 Type: R160

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 10,57/.416 Type: R160. This accessory is designed for use with crimp and benchrest seaters from Triebel. It is essential to follow all safety instructions to ensure safe and effective use of this product. This guide provides important safety information, usage instructions, and disposal guidelines in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not modify the product in any way, as this may compromise safety.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Seaterhead.
- Ensure that the workspace is clean, dry, and welllit to prevent accidents.
- Use the Seaterhead only with compatible equipment as specified in the manual.
- Avoid using the product if you are tired or under the influence of substances that may impair your judgment.
- Follow all manufacturer instructions regarding the setup and operation of the Seaterhead.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the workspace is clear and free of any obstacles.
- Carefully read the manual for specific installation instructions related to your seater.
- Attach the Seaterhead securely to the compatible seater, ensuring it is fastened according to the manufacturer's specifications.
- Doublecheck that all connections are tight and secure before proceeding.

### 2. Usage:

- Before using the Seaterhead, ensure that you have read and understood the manual.
- Begin by adjusting the settings on your seater according to your specific requirements.
- Use the Seaterhead only for the intended caliber, which is 10,57/.416.
- Monitor the operation closely for any unusual sounds or behaviors during use.
- If any issues arise, cease operation immediately and consult the manual for troubleshooting.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and accessories.
- Do not dispose of the product in regular household waste.
- If you are unsure about disposal methods, contact local waste management authorities for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIEBEL Seaterhead, please refer to the manual or visit the official website for more information.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
