# TRIEBEL Seaterhead Safety Instructions

## Introduction

Thank you for purchasing the TRIEBEL Seaterhead Caliber 5,6/.223 Type: R21. This product is designed to enhance your reloading experience. However, it is essential to follow safety instructions to ensure safe and effective use. This guide provides important safety information, installation instructions, and disposal guidelines.

## General Safety Guidelines

- Ensure safe use of the TRIEBEL Seaterhead by following these guidelines:
  - Read all instructions and warnings before use.
  - Keep the product out of reach of children and vulnerable individuals.
  - Use the product only for its intended purpose.
  - Regularly inspect the product for any signs of wear or damage.
  - Store the product in a cool, dry place away from direct sunlight.
  - Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- When using the TRIEBEL Seaterhead, please observe the following precautions:
  - Always wear appropriate safety gear, including eye protection and gloves.
  - Do not exceed the recommended caliber specifications.
  - Ensure that your work area is wellventilated.
  - Avoid distractions while operating the product.
  - Never point the Seaterhead at yourself or others during use.
  - Do not modify the product in any way, as this may compromise safety.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the TRIEBEL Seaterhead:
  1. **Installation:**
    - Ensure that your reloading press is properly set up and stable.
    - Attach the TRIEBEL Seaterhead securely to the reloading press according to the manufacturer's instructions.
    - Check that all connections are tight and free from obstructions.
  2. **Usage:**
    - Prepare your cases and projectiles as per standard reloading practices.
    - Adjust the Seaterhead settings according to your specific needs.
    - Begin the reloading process, ensuring that you follow all safety precautions.
    - Monitor the operation closely and stop immediately if any irregularities occur.
    - After use, clean the Seaterhead to maintain its condition.

## Disposal Instructions

- Proper disposal of the TRIEBEL Seaterhead is important for environmental safety:
  - Dispose of the product in accordance with local regulations.
  - If the product is no longer usable, consider recycling it if possible.
  - Do not dispose of the product in regular household waste.

## Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL Seaterhead, please reach out to the designated EU contact point for safety inquiries. Ensure you have the product information ready for a more efficient response.

Please remember to check for recall updates on the EU's Safety Gate platform, and report any unsafe products or accidents to the authorities. Your safety is our priority.
