# TRIEBEL SEATERHEADS TRIEBEL Seaterhead Caliber 6,5/.257 Type: R60 Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 6,5/.257. This product is designed to enhance your reloading experience by providing precise seating capabilities. Your safety is our priority, and this guide provides essential information to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle the Seaterhead with care to prevent injury or damage.
- Ensure that the product is used for its intended purpose only.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Seaterhead for any signs of wear or damage before use.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about any safety issues.

## Specific Safety Precautions for Use

- Use only the recommended equipment and accessories with the TRIEBEL Seaterhead.
- Avoid using excessive force when seating bullets, as this may cause malfunction or injury.
- Ensure that the work area is welllit and free from clutter to minimize risks.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the product.
- Do not modify the Seaterhead or use it in a manner not specified in the user manual.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Attach the TRIEBEL Seaterhead to your reloading press following the manufacturer's instructions in the manual.
- Verify that the Seaterhead is properly aligned and tightened to prevent movement during use.

### 2. Usage:

- Before starting, read the user manual thoroughly to familiarize yourself with the product's features and operation.
- Set the desired seating depth according to your reloading specifications.
- Place the cartridge case in the reloading press and insert the bullet into the case mouth.
- Operate the press smoothly and steadily, applying consistent pressure to seat the bullet.
- After use, clean the Seaterhead to remove any residue or debris.

## Disposal Instructions

- Dispose of the TRIEBEL Seaterhead responsibly at the end of its life cycle.
- Follow local regulations for the disposal of metal and plastic products.
- Do not dispose of the product in household waste; instead, use designated recycling facilities if available.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the contact information provided in the user manual. Your safety and satisfaction are important to us.

By following these guidelines, you can ensure a safe and effective experience with the TRIEBEL Seaterhead. Thank you for prioritizing safety and responsible usage.
