# TRIEBEL Seaterhead Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 6,0/.243 Type: KS. This product is designed to enhance your reloading experience with safety and precision. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle the Seaterhead with care to avoid injury.
- Ensure that the Seaterhead is used in a wellventilated area.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Seaterhead for any signs of wear or damage before use.
- Follow all local laws and regulations regarding reloading and firearms.

## Specific Safety Precautions for Use

- Ensure that the Seaterhead is compatible with your reloading equipment before use.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Do not exceed the recommended specifications for the Seaterhead to prevent accidents.
- Avoid distractions while using the Seaterhead to maintain focus and control.
- In case of any malfunction or unusual behavior, stop using the product immediately and consult the manual.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that your reloading press is turned off and unplugged.
- Remove any existing Seaterhead from your reloading press.
- Insert the TRIEBEL Seaterhead into the appropriate holder of your reloading press.
- Secure the Seaterhead according to the manufacturer's instructions to ensure stability during use.

### 2. Usage

- Set up your reloading station in a clean and organized manner to minimize risks.
- Follow the manufacturer's guidelines for adjusting the Seaterhead to achieve the desired crimp and seating depth.
- Load your cases carefully, ensuring that they are positioned correctly in the Seaterhead.
- After each session, clean the Seaterhead to maintain its performance and longevity.

## Disposal Instructions

- Dispose of the Seaterhead in accordance with local waste disposal regulations.
- Do not dispose of the Seaterhead in household waste if it is damaged or no longer functional. Instead, contact your local waste management facility for safe disposal options.

## Contact Information for Further Support

For any safety inquiries or further support, please refer to the contact information provided in the product manual. It is important to have access to assistance if needed.

## Conclusion

By following these safety instructions, you can ensure a safe and efficient experience with your TRIEBEL Seaterhead. Always prioritize safety and compliance with regulations to protect yourself and others. Thank you for your attention to these important guidelines.
