# TRIEBEL Seaterheads Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 6,0/.243 Type: R50. This product is designed to enhance your reloading experience with safe and efficient use. Please read this safety instruction guide carefully to ensure proper handling, installation, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle the Seaterhead with care to prevent accidents.
- Ensure that the product is used only for its intended purpose.
- Keep the Seaterhead out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and tear. Do not use if damaged.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Stay informed about recalls or safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use personal protective equipment (PPE) such as safety glasses and gloves when operating the Seaterhead.
- Ensure that the Seaterhead is securely attached to the reloading press before use.
- Avoid overtightening the Seaterhead, which may cause damage or malfunction.
- Do not exceed the recommended caliber specifications for the Seaterhead.
- Always follow the manufacturer's instructions for loading and unloading ammunition.
- Be aware of your surroundings and ensure that no unauthorized persons are nearby while using the Seaterhead.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Remove any existing Seaterheads or accessories from the reloading press.
- Align the TRIEBEL Seaterhead with the press and secure it tightly.
- Doublecheck that the Seaterhead is properly fitted and stable.

### 2. Usage:

- Set up your reloading workspace in a wellventilated area.
- Prepare your materials, including the correct caliber ammunition and components.
- Follow the specific loading instructions provided in the product manual.
- Monitor the operation closely and stop immediately if any irregularities occur.
- After use, clean the Seaterhead to remove any debris or residue.

## Disposal Instructions

- Dispose of the Seaterhead in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIEBEL Seaterhead, please refer to the product manual or contact your local retailer. Remember to keep this safety instruction guide for future reference.

Thank you for prioritizing safety while using the TRIEBEL Seaterhead. Your adherence to these guidelines ensures a safe and enjoyable reloading experience.
