# TRIEBEL SEATERHEADS Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 7,62/.30 Type: R123. This product is designed to enhance your reloading experience with crimp and benchrest seater applications. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for use and maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates on product safety and recalls through official channels.
- In case of any doubts or questions, seek professional advice.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the TRIEBEL Seaterhead.
- Inspect the product before each use for any signs of damage or wear.
- Do not exceed the recommended specifications for the product, including caliber and diameter.
- Ensure that the workspace is clean and free of obstructions to prevent accidents.
- Be aware of your surroundings and ensure that no unauthorized individuals are in the vicinity while using the product.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that you have all necessary components before starting the installation.
- Follow the steps below to install the TRIEBEL Seaterhead:
  - Remove any existing components from your reloading setup.
  - Carefully attach the TRIEBEL Seaterhead to the appropriate seater tool.
  - Make sure the connection is secure and free from any obstructions.
  - Check the alignment of the seaterhead with the reloading die.

### 2. Usage

- Before using the TRIEBEL Seaterhead, ensure your workspace is organized and safe.
- Follow these steps for safe operation:
  - Prepare your reloading materials according to the specifications for the caliber.
  - Set the desired depth for seating the bullet using the adjustment mechanism.
  - Insert the cartridge case into the seater tool.
  - Operate the tool slowly and steadily to ensure proper seating.
  - After use, clean the seaterhead to maintain its performance and longevity.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is damaged or no longer usable, please follow local waste management guidelines for disposal.
- Do not dispose of the product in regular household waste; consult local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the EU contact point designated for consumer safety inquiries.

By adhering to these guidelines and instructions, you can ensure a safe and effective experience with your TRIEBEL Seaterhead. Thank you for your attention to safety and compliance.
