TRIEBEL Seaterhead Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 7,62/.30 Type: R125. This accessory is designed for use with Seater with Crimp and BenchRestSeaters from Triebel. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Always handle the product with care to avoid injury.
- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the product for any signs of wear or damage.
- Store the product in a safe, dry place away from children and pets.
- Be aware of your surroundings when using the product to prevent accidents.
- If you experience any issues or have safety concerns, stop using the product immediately and seek assistance.

Specific Safety Precautions for Use

- Only use the TRIEBEL Seaterhead with compatible equipment as specified by the manufacturer.
- Ensure that the diameter of the Seaterhead is appropriate for your specific application (Diameter: .300 inches).
- Do not modify the product in any way; alterations can lead to unsafe conditions.
- Always wear appropriate personal protective equipment (PPE) when using this product, including safety glasses and gloves.
- Keep your hands and other body parts clear of moving parts during operation.
- Follow all local laws and regulations regarding the use of reloading equipment.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Seater and Crimp equipment are turned off and unplugged before installation.
- Carefully attach the TRIEBEL Seaterhead to the compatible equipment, ensuring a secure fit.
- Doublecheck that all connections are tight and that there are no obstructions.

2. Usage:

- Before starting, read the manual for the equipment you are using with the Seaterhead.
- Load the Seaterhead according to the manufacturer's guidelines.
- Operate the equipment slowly and steadily to maintain control.
- Monitor the process closely to ensure everything is functioning correctly.
- If you notice any unusual sounds or movements, stop immediately and inspect the equipment.

Disposal Instructions

- Dispose of the TRIEBEL Seaterhead in accordance with local regulations.
- Do not dispose of the product with regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL Seaterhead, please refer to the manufacturer's contact details provided in the product manual.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your TRIEBEL Seaterhead. Always prioritize safety and consult the manual for detailed information on usage and maintenance. Thank you for your attention to these important safety considerations.
