# TRIEBEL Seaterhead Caliber 7,62/.30 Type: R220

## Safety Instruction Guide

### Introduction

Thank you for choosing the TRIEBEL Seaterhead, a precision accessory designed for use with Crimp and BenchRestSeaters. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this document carefully before using the Seaterhead.

### General Safety Guidelines

- Always handle the Seaterhead with care.
- Ensure that the Seaterhead is compatible with your specific reloading equipment.
- Keep the Seaterhead out of reach of children and vulnerable individuals.
- Regularly inspect the Seaterhead for signs of wear or damage before use.
- Follow all applicable local, national, and international laws regarding ammunition and reloading practices.
- In case of any doubt regarding the use of the Seaterhead, consult a qualified professional.

### Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including safety glasses and gloves, when using the Seaterhead.
- **Work Environment:** Use the Seaterhead in a wellventilated area, free from distractions and hazards.
- **Tool Compatibility:** Ensure that all tools used in conjunction with the Seaterhead are in good working order and compatible with the product specifications.
- **Avoid Overloading:** Do not exceed the recommended specifications for the Seaterhead to prevent accidents or equipment failure.
- **Storage:** Store the Seaterhead in a dry and safe location when not in use to prevent rust and damage.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Remove any existing seater head from the reloading press.
- Carefully attach the TRIEBEL Seaterhead to the press, ensuring it is securely fastened.
- Adjust the height of the Seaterhead according to your specific reloading requirements.

#### 2. Usage:

- Set up your reloading station according to your specific needs, ensuring all components are within easy reach.
- Load the appropriate caliber (.30) ammunition into the reloading press.
- Follow the manufacturer's guidelines for crimping and seating bullets using the Seaterhead.
- Monitor the reloading process closely and make adjustments as necessary to maintain safety and accuracy.
- After use, clean the Seaterhead with a dry cloth to remove any debris or residue.

### Disposal Instructions

- Dispose of the Seaterhead and any associated components in accordance with local regulations.
- Do not dispose of the Seaterhead in regular household waste if it is damaged or no longer usable.
- Consider recycling options where available to minimize environmental impact.

## **Contact Information for Further Support**

For further inquiries regarding the TRIEBEL Seaterhead, please reach out to the appropriate contact points for product support as specified in the product documentation.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Seaterhead. Always prioritize safety and adhere to the guidelines provided in this document. Thank you for your commitment to responsible reloading practices.
