# TRIEBEL Seaterhead Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 7,62/.30 Type: R35. This product is designed to enhance your reloading experience while ensuring safety and efficiency. Please read this safety instruction guide carefully to ensure proper usage and compliance with safety regulations.

## General Safety Guidelines

- Always prioritize safety when handling reloading equipment.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading and handling.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Seaterhead.
- Ensure your workspace is clean, organized, and welllit to prevent accidents.
- Do not exceed the recommended load specifications for your ammunition.
- Always doublecheck your measurements and settings before starting the reloading process.
- Be aware of potential hazards, including but not limited to:
  - Fire hazards due to improper handling of components.
  - Injury risks from sharp or moving parts.
  - Chemical exposure from materials used in reloading.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Attach the TRIEBEL Seaterhead to the press according to the manufacturer's instructions.
- Verify that the Seaterhead is properly aligned and tightened before use.

### 2. Usage:

- Prepare your workspace by gathering all necessary materials and tools.
- Load the appropriate caliber and type of ammunition into the Seaterhead.
- Adjust the seating depth according to your specifications.
- Operate the press smoothly and steadily, avoiding sudden movements.
- After each session, clean the Seaterhead to maintain optimal performance.

## Disposal Instructions

- Dispose of any unused or expired components according to local regulations.
- Do not dispose of hazardous materials in regular trash. Follow your local guidelines for hazardous waste disposal.
- Recycle packaging materials where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please reach out to your local TRIEBEL representative or authorized dealer.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with the TRIEBEL Seaterhead. Always prioritize safety and compliance with local regulations to protect yourself and others. Thank you for your commitment to safe reloading practices.
