# Safety Instruction Guide for TRIEBEL Seaterhead Caliber 7,62/.30 Type: R65

## Introduction

Thank you for choosing the TRIEBEL Seaterhead. This accessory is designed for use with Seater with Crimp and BenchRestSeaters from Triebel. It is important to read and understand this safety instruction guide to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the TRIEBEL Seaterhead according to the manufacturer's instructions.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Specific Safety Precautions for Use

- Ensure that the diameter of the Seaterhead matches the specifications of your reloading equipment (Diameter: .300 inches).
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves while operating reloading equipment.
- Avoid wearing loose clothing or accessories that could become entangled in the equipment.
- Do not modify the Seaterhead or use it in a manner not specified by the manufacturer.
- Store the Seaterhead in a dry and secure location when not in use to prevent accidental damage or misuse.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading equipment is turned off and unplugged before installation.
- Remove any existing Seaterhead from the equipment.
- Insert the TRIEBEL Seaterhead into the designated location of your reloading equipment.
- Secure the Seaterhead according to the manufacturer's instructions, ensuring it is firmly in place.

### 2. Usage:

- Before use, verify that all components are correctly assembled and secure.
- Follow the specific instructions for your reloading equipment to ensure proper operation.
- Monitor the reloading process closely and discontinue use if you notice any irregularities or signs of malfunction.
- After usage, clean the Seaterhead according to the manufacturer's recommendations to maintain its condition.

## Disposal Instructions

- Dispose of the TRIEBEL Seaterhead according to local regulations for electronic waste or metal products.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, ensure it is recycled or disposed of responsibly.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the TRIEBEL Seaterhead, please refer to the manufacturer's contact details provided with your product packaging or visit the official website for more information.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the TRIEBEL Seaterhead. Remember to stay informed about any product recalls or safety alerts through the EU's Safety Gate platform and report any unsafe products or incidents to the appropriate authorities. Your safety is our priority.
