TRIEBEL SEATERHEADS TRIEBEL Seaterhead Caliber 7,62/.30 Type: R70 SO Safety Instructions

Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 7,62/.30 Type: R70 SO. This product is designed for use with crimp and benchrest seaters from Triebel. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information about safe handling, installation, and usage of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions when using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the Seaterhead.
- Ensure that the work area is clean and free of obstructions.
- Do not exceed the specified diameter of .300 inches for the product.
- Avoid using the product if you notice any defects or irregularities.
- Do not modify the product in any way, as this may compromise safety.
- Use caution when handling components that may be sharp or heavy.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have all necessary tools and materials ready before installation.
- Read through the manual thoroughly to familiarize yourself with the Seaterhead and its components.

2. Installation:

- Securely mount the Seaterhead onto the compatible seater.
- Ensure that it is tightened appropriately to prevent any movement during use.
- Doublecheck that the diameter setting matches the specifications of your project.

3. Usage:

- Follow the specific instructions provided with your seater for optimal results.
- Always operate the equipment in a wellventilated area.
- Monitor the product during use for any unusual sounds or movements.
- If you encounter any difficulties or have questions, refer to the manual or seek professional assistance.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the product is no longer in use, follow local regulations for disposal of nonfood products.
- Do not dispose of the product in general waste if it contains hazardous materials.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the contact information provided in the product manual or on the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Please ensure you adhere to these guidelines for a safe and effective experience with your TRIEBEL Seaterhead.
