# TRIEBEL Seaterhead Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 7,62/.30 Type: R75. This guide provides essential safety instructions to ensure the safe use of this product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Always ensure the product is used in accordance with the manufacturer's instructions.
- Check for any visible damages before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that your workspace is clean and free of distractions when using this product.
- Always wear appropriate safety gear, such as eye protection, when handling this product.
- Be aware of your surroundings to avoid accidents while using the product.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the Seaterhead is compatible with your specific equipment before use.
- Do not exceed the recommended load limits when using the product.
- Avoid using the product in wet or damp conditions to prevent accidents.
- Handle the Seaterhead with care to avoid injury from sharp edges.
- Follow all instructions regarding the installation and usage of the product.
- If you are inexperienced with this type of equipment, seek assistance from a knowledgeable person.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that all necessary tools are available before beginning installation.
- Follow the manufacturer's guidelines for attaching the Seaterhead to your equipment.
- Doublecheck all connections to ensure they are secure and properly fitted.
- If you encounter resistance during installation, do not force the components together.

### 2. Usage:

- Before using, ensure that the work area is clear of any obstacles.
- Adjust the Seaterhead settings according to the specifications for your specific application.
- Always use the product as intended and do not modify it in any way.
- Monitor the performance of the Seaterhead during use and stop immediately if you notice any irregularities.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area to minimize environmental impact.

## Contact Information for Further Support

For any inquiries regarding product safety or further assistance, please refer to the manufacturer's contact point

as provided in the product packaging or documentation.

Thank you for ensuring your safety and the safe use of the TRIEBEL Seaterhead.
