Safety Instruction Guide for TRIEBEL Seaterhead Caliber 8,5/.338 Type: KS

Introduction

Thank you for choosing the TRIEBEL Seaterhead, a highquality accessory designed for use with crimp and benchrest seaters from Triebel. This guide provides important safety instructions and usage information to ensure the safe and effective operation of your product.

General Safety Guidelines

- Always read and understand all instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Follow local regulations and guidelines regarding the handling and use of reloading equipment and components.

Specific Safety Precautions for Use

- Use protective eyewear to prevent eye injuries during operation.
- Ensure that your workspace is clean and free from clutter to avoid accidents.
- Do not exceed the recommended specifications for the product, including caliber and pressure limits.
- Always store the product in a safe and secure location when not in use.
- Be aware of your surroundings and ensure that no unauthorized persons are in the vicinity while using the product.

Instructions for Installation and Usage

1. Installation

- Ensure that the seaterhead is compatible with your specific reloading equipment.
- Carefully follow the manufacturer's instructions for installing the seaterhead onto your reloading press.
- Tighten all connections securely to avoid any movement during operation.

2. Usage

- Before starting, doublecheck that the workspace is clear and all safety equipment is in place.
- Load the appropriate caliber (.338) and ensure that all components are correctly positioned.
- Operate the reloading press according to the manufacturer's instructions, monitoring for any unusual noises or resistance.
- After use, clean the seaterhead to remove any residue or debris.

Disposal Instructions

- Dispose of the product responsibly, following local regulations for hazardous materials.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, consult your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the TRIEBEL Seaterhead, please contact the manufacturer or your local distributor for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Seaterhead. Always prioritize safety and compliance with regulations to protect yourself and others. Thank you for your commitment to safe usage practices.
