# TRIEBEL Seaterhead Safety Instructions

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 8.5/.338 Type: R100. This accessory is designed for use with crimp and benchrest seaters from Triebel. To ensure safe and effective use of this product, please carefully read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the TRIEBEL Seaterhead is used only for its intended purpose as described in the manual.
- Always wear appropriate protective gear, such as safety glasses and gloves, when handling or using this product.
- Keep the product out of reach of children and unauthorized persons.
- Regularly inspect the Seaterhead for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the use and storage of reloading equipment and materials.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper handling or installation may lead to accidents or injuries.
  - The Seaterhead may become hot during use; handle with caution.
- **Avoiding Hazards:**
  - Always ensure that the Seaterhead is securely attached to the reloading press before use.
  - Do not exceed the recommended pressure limits during operation.
  - Keep hands and other body parts clear of moving parts while in operation.
- **Age Specific Warnings:**
  - This product is intended for use by individuals who are 18 years of age or older.
  - Ensure that inexperienced users are supervised by a knowledgeable adult.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure that the reloading press is turned off and disconnected from power.
  2. Carefully attach the TRIEBEL Seaterhead to the reloading press, following the manufacturer's instructions.
  3. Tighten all screws and fittings securely to prevent any movement during operation.
- **Usage:**
  1. Prepare your materials according to the specifications outlined in the reloading manual.
  2. Insert the cartridge case into the Seaterhead, ensuring it is properly aligned.
  3. Apply the appropriate amount of pressure to seat the bullet, monitoring for any resistance.
  4. After completing the seating process, carefully remove the cartridge case from the Seaterhead.
  5. Clean the Seaterhead regularly to maintain optimal performance.

## Disposal Instructions

- When the TRIEBEL Seaterhead is no longer in use or is damaged beyond repair, dispose of it in accordance with local waste disposal regulations.
- Do not dispose of the Seaterhead with regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the TRIEBEL Seaterhead, please refer to the contact information provided in the product packaging or manual.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the TRIEBEL Seaterhead. Always prioritize safety and remain informed about best practices for handling and using reloading equipment. Thank you for your attention to these important guidelines.
