# TRIEBEL Seaterhead Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 8,5/.338 Type: R110. This accessory is designed for use with Crimp and BenchRestSeaters from Triebel. Proper usage and care are essential to ensure safety and optimal performance. Please read this guide carefully to understand the safety measures and instructions for installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this guide.
- Always handle the Seaterhead with care to avoid injury or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Seaterhead for signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the Seaterhead.
- Ensure that the workspace is clean and free of clutter to prevent accidents.
- Do not exceed the recommended specifications for use, including caliber and pressure limits.
- Avoid using the Seaterhead in wet or damp conditions to reduce the risk of electrical hazards or corrosion.
- If you experience any difficulty during use, stop immediately and consult the manual or seek professional assistance.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the workspace is clean and free of obstructions.
- Carefully unpack the Seaterhead and inspect it for any visible damage.
- Follow the manufacturer's instructions for attaching the Seaterhead to the appropriate equipment.
- Ensure all connections are secure before proceeding.

### 2. Usage

- Before using the Seaterhead, familiarize yourself with its operation by reviewing the manual.
- Adjust the Seaterhead according to the specifications for the caliber you are working with.
- Begin the seating process slowly and steadily, monitoring for any irregularities in performance.
- After use, clean the Seaterhead according to the maintenance instructions provided in the manual.

### 3. PostUsage Care

- After using the Seaterhead, ensure that it is cleaned and stored in a safe, dry place.
- Regularly check the Seaterhead for any signs of wear or damage and replace parts as necessary.

## Disposal Instructions

- Dispose of the Seaterhead according to local regulations and guidelines for hazardous waste.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or maintenance of the TRIEBEL Seaterhead, please refer to the manufacturer's website or contact their customer service department.

By following these guidelines and instructions, you can ensure safe and effective use of the TRIEBEL Seaterhead. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
