# Safety Instruction Guide for TRIEBEL Seaterhead Caliber 8,5/.338 Type: R150

## Introduction

Thank you for choosing the TRIEBEL Seaterhead. This guide provides essential safety information and instructions for the proper use of the product. Please read this guide thoroughly to ensure safe and effective operation.

## General Safety Guidelines

- Ensure that all users are familiar with the product and its intended use.
- Always follow the manufacturer's instructions and guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- If any part of the product is damaged, discontinue use immediately and consult a professional.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the TRIEBEL Seaterhead only for its intended purpose as described in the manual.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the product.
- Ensure that the workspace is clean, organized, and free from distractions while using the product.
- Avoid using the product in wet or damp conditions to prevent electrical hazards.
- Do not modify or alter the product in any way, as this may compromise safety.
- Ensure proper ventilation when using the product, especially in enclosed spaces.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully unpack the TRIEBEL Seaterhead from the packaging.
- Inspect all components for any signs of damage.
- Follow the specific installation instructions provided in the manual to securely attach the Seaterhead to your equipment.
- Ensure that all fasteners are tightened properly before use.

### 2. Usage:

- Before each use, check that the Seaterhead is properly attached and functioning correctly.
- Adjust the settings according to the specifications outlined in the manual.
- Follow the recommended procedures for loading and operating the Seaterhead.
- Monitor the product during use for any unusual sounds or behaviors that may indicate a malfunction.
- If you encounter any issues, stop using the product immediately and consult the manual or a professional.

## Disposal Instructions

- Dispose of the TRIEBEL Seaterhead and any packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste.

- Consider recycling options for components where applicable.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the TRIEBEL Seaterhead, please refer to the manufacturer's contact information provided in the product manual or on the official website.

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Seaterhead. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
