# TRIEBEL Seaterhead Safety Instruction Guide

## Introduction

Thank you for purchasing the TRIEBEL Seaterhead Caliber 8,5/.338 Type: R90b. This accessory is designed for use with crimp and benchrest seaters from Triebel. It is essential to follow the safety guidelines outlined in this document to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all users read and understand this safety instruction guide before using the product.
- Always check for any visible damage to the product before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in the manual.
- Follow all local laws and regulations related to the use of this product.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the product.
- Ensure that the working area is clean, dry, and free of any obstructions.
- Do not exceed the recommended specifications for the product, including diameter and caliber.
- Avoid using the product in wet or damp conditions to prevent electrical hazards or malfunctions.
- Always keep hands and body parts clear of moving parts during operation.
- If you experience any unusual noises or malfunctions during use, stop immediately and inspect the product.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the workspace is clean and welllit.
- Inspect the TRIEBEL Seaterhead for any signs of damage before installation.
- Attach the Seaterhead to the compatible crimp or benchrest seater following the manufacturer's instructions.
- Ensure that the connection is secure and that there is no play in the attachment.

### 2. Usage

- Before starting, doublecheck that all components are correctly assembled and secure.
- Follow the specific loading and seating instructions provided in the manual for your seater.
- Maintain a firm grip on the seater during operation to ensure stability.
- After use, clean the Seaterhead and store it in a dry place.

## Disposal Instructions

- Dispose of the TRIEBEL Seaterhead in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste.
- If the product is no longer usable, consider recycling options or return it to the manufacturer for proper disposal.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the contact information provided in the product manual. It is important to have a dedicated contact point for safetyrelated questions.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the TRIEBEL Seaterhead. Always prioritize safety and compliance with the EU GPSR to protect yourself and others. Thank you for choosing TRIEBEL products.
