# Safety Instruction Guide for TRIEBEL Seaterheads

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 9,3/.366 Type: MJGa. This product is designed to enhance your reloading experience by providing a reliable accessory for Seater with Crimp and BenchRestSeaters from Triebel. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions to prevent accidents and injuries.
- Always inspect the product for any signs of damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Follow local laws and regulations regarding the use and storage of reloading equipment.
- Report any unsafe product incidents or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when operating the product.
- Ensure that the work area is wellventilated and free from flammable materials.
- Avoid distractions while using the product to maintain focus and avoid accidents.
- Do not exceed the recommended specifications for the product, including the caliber and diameter.
- Always store the product in a safe and secure location when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have all the necessary tools and components before starting the installation process.
- Carefully read the product manual for specific installation instructions related to your Seater with Crimp and BenchRestSeaters.
- Securely attach the TRIEBEL Seaterhead to your reloading press according to the manual guidelines.
- Doublecheck that all connections are tight and secure before proceeding to use the product.

### 2. Usage:

- Follow the reloading manual for your specific equipment to ensure proper usage of the Seaterhead.
- Always monitor the reloading process closely to identify any potential issues early.
- If you notice any unusual sounds, vibrations, or other signs of malfunction, stop using the product immediately and consult the manual or a qualified technician.
- Clean the Seaterhead regularly to maintain optimal performance and prevent buildup of debris.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and mechanical waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options for components that can be recycled.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIEBEL Seaterhead, please refer to the manufacturer's website or contact your local distributor for assistance. Ensure that you have the product model and any relevant information ready for a more efficient service experience.

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Seaterhead. Always prioritize safety and stay informed about best practices for reloading equipment. Thank you for your attention to these important guidelines.
