TRIEBEL Seaterhead Safety Instructions

Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 9,3/.366 Type: R27. This product is designed to enhance your reloading experience with safety and efficiency in mind. Please read this safety instruction guide carefully to ensure proper use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read the user manual before using the TRIEBEL Seaterhead.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Seaterhead for any signs of wear or damage before use.
- In case of any malfunction or damage, stop using the product immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the TRIEBEL Seaterhead only with compatible seater and crimp tools.
- Ensure proper calibration of the equipment before use to avoid accidents.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Always work in a wellventilated area to avoid inhalation of any dust or particles.
- Do not exceed the recommended load specifications to prevent equipment failure.
- Be aware of your surroundings and ensure that unauthorized persons are at a safe distance while operating the equipment.

Instructions for Installation and Usage

1. Installation

- Ensure that all tools and equipment are clean and free from debris.
- Attach the TRIEBEL Seaterhead securely to the appropriate reloading press.
- Check that all connections are tight and secure before proceeding.

2. Usage

- Adjust the Seaterhead according to the specifications for the caliber being used.
- Insert the case into the reloading press and ensure it is properly positioned.
- Follow the specific reloading procedures as outlined in the manual.
- Monitor the process closely and stop if any irregularities occur.

Disposal Instructions

- Dispose of the TRIEBEL Seaterhead in accordance with local regulations for nonhazardous materials.
- Do not throw the product in regular household waste.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or to report unsafe products, please refer to the EU Safety Gate platform or contact your local consumer safety authority.

Thank you for prioritizing safety with the TRIEBEL Seaterhead. By following these guidelines, you can ensure a

safe and effective reloading experience.
