AVAILABLE

Delivery in Premium Case

The "Allgäu Series" is a selection of our most popular products. We see this as an entry-offer into our product world.

Of course, the items in the "Allgäu Series" are manufactured with the same care and the same quality standards as all other items in our range. The only difference is actually the particularly attractive price, which can be achieved mainly through a high production volume.

## Specs:

- **Thread: 7/8"**
- **Expander (diameter): 7.8mm**

You will find further instructions and assistance in selecting accessories and spare parts in the manual that can be found [here](#)

# Safety Instruction Guide for TRIEBEL Die Set .308 Winchester Allgäu Series Standard

## Introduction

Thank you for choosing the TRIEBEL Die Set .308 Winchester Allgäu Series Standard. This guide provides important safety instructions to ensure the safe and effective use of your die set. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure that the die set is used only for its intended purpose.
- Keep the die set out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, including eye protection, when using the die set.
- Inspect the die set for any damage or wear before each use.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from improper handling or use of tools.
- Risk of damage to the die set if not used correctly.

- **Avoiding Hazards:**

- Always follow the manufacturer's instructions for use.
- Do not exceed the recommended specifications for the die set.
- Ensure that your workspace is clean, organized, and free of distractions.
- Use the die set in a wellventilated area to avoid inhaling any dust or fumes.
- Do not attempt to modify or alter the die set in any way.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18.
- Ensure that inexperienced users are supervised by a knowledgeable adult.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that the reloading press is securely mounted to a stable surface.
2. Carefully remove the die set from its packaging.
3. Install the full sizing die into the reloading press according to the manufacturer's instructions.
4. Install the seater die into the reloading press, ensuring it is set at the correct height for bullet seating.
5. Check that all dies are tightened properly to prevent movement during use.

- **Usage:**

1. Prepare your .308 Winchester cases by cleaning and inspecting them for damage.
2. Insert the case into the full sizing die and operate the press to resize the case.
3. Remove the resized case and prepare for bullet seating.

4. Insert the bullet into the case mouth and place it in the seater die.
5. Operate the press to seat the bullet to the desired depth, ensuring a proper crimp if applicable.
6. Inspect the completed round for any defects before storage or use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the die set in regular household waste if it is damaged. Instead, contact local waste management services for guidance on safe disposal.
- Ensure that any hazardous materials used in the reloading process are disposed of according to local regulations.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the manufacturer's website or contact your local distributor. Ensure you have the product details available for assistance.

Thank you for your attention to these safety guidelines. Enjoy your reloading experience with the TRIEBEL Die Set .308 Winchester Allgäu Series Standard.
