# TRIEBEL Neck Size Bushing Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing. This product is designed for use with Triebel neck sizing dies and is intended to enhance the precision of your reloading process. Please read this safety instruction guide carefully to ensure safe and effective use of the bushing.

## General Safety Guidelines

- Ensure that the TRIEBEL Neck Size Bushing is used in accordance with the manufacturer's instructions.
- Keep the bushing out of reach of children and vulnerable individuals to prevent accidental injuries.
- Always inspect the bushing for any signs of damage or wear before use.
- Use the bushing only for its intended purpose as specified by the manufacturer.
- Familiarize yourself with the safety features and potential hazards associated with this product.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper use may lead to personal injury or damage to the bushing and reloading equipment.
- Always ensure that the bushing is securely attached to the die before use.

### • Avoiding Hazards:

- Do not exceed the recommended diameter specifications of the bushing.
- Use protective eyewear when operating reloading equipment to protect against debris.
- Do not use the bushing if it is damaged or shows signs of wear.
- Follow all safety protocols associated with reloading ammunition.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading die is clean and free from debris.
- Remove the existing bushing from the die if applicable.
- Insert the TRIEBEL Neck Size Bushing into the die, ensuring it is seated properly.
- Tighten the die according to the manufacturer's specifications to secure the bushing in place.

### 2. Usage:

- Prepare your cases according to standard reloading practices.
- Insert the case into the die and apply the appropriate force to resize the neck using the bushing.
- Regularly check the bushing for any signs of wear during use and replace it as necessary.
- Store the bushing in a safe and dry location when not in use.

## Disposal Instructions

- Dispose of the TRIEBEL Neck Size Bushing in accordance with local regulations regarding metal and plastic waste.
- Do not dispose of the bushing in regular household waste if it is damaged or defective.

- Consider recycling the product if possible to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or support related to the TRIEBEL Neck Size Bushing, please refer to the contact information provided by the retailer or manufacturer. Ensure you have the product details available for reference.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience while using the TRIEBEL Neck Size Bushing. Thank you for your attention to safety and for choosing TRIEBEL products.
