TRIEBEL Neck Size Bushing Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing for your reloading needs. This document provides important safety information and guidelines to ensure the safe use of the product. Please read this guide carefully before using the neck size bushing.

General Safety Guidelines

- Ensure safe use of the TRIEBEL Neck Size Bushing by following these guidelines:
 - Always inspect the bushing for any signs of damage before use.
 - Only use the neck size bushing with compatible TRIEBEL neck sizing dies.
 - Keep the bushing out of reach of children and vulnerable individuals.
 - Use the product in a wellventilated area to avoid inhalation of any dust or particles.
 - Follow all local regulations regarding the handling and use of reloading equipment.

Specific Safety Precautions for Use

- To minimize risks while using the TRIEBEL Neck Size Bushing, observe the following precautions:
 - Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves.
 - Do not exceed the recommended specifications for use, including the maximum diameter and caliber.
 - Avoid using the bushing if you are unsure about its condition or compatibility with your reloading equipment.
 - Keep your workspace clean and organized to prevent accidents.
 - Never attempt to modify or alter the bushing in any way.

Instructions for Installation and Usage

- Follow these steps to install and use the TRIEBEL Neck Size Bushing safely:

1. Preparation:

- Gather all necessary tools and materials.
- Ensure that your reloading press is clean and in good working condition.

2. Installation:

- Remove the existing bushing from your TRIEBEL neck sizing die.
- Carefully insert the TRIEBEL Neck Size Bushing (8.53mm) into the die.
- Ensure that the bushing is seated properly and securely.

3. Usage:

- Begin the reloading process following your standard procedures.
- Monitor the bushing during use for any signs of wear or damage.
- If you encounter any issues during the reloading process, stop immediately and inspect the equipment.

Disposal Instructions

- When disposing of the TRIEBEL Neck Size Bushing, follow these guidelines:
 - Dispose of the bushing in accordance with local regulations for metal recycling.
 - Do not dispose of the bushing in regular household waste.
 - Ensure that the bushing is not accessible to children or pets during disposal.

Contact Information for Further Support

- For any questions or concerns regarding the TRIEBEL Neck Size Bushing, please contact your local TRIEBEL representative or refer to the official TRIEBEL website for additional resources.

Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with the TRIEBEL Neck Size Bushing. Always prioritize safety and adhere to local regulations while using this product. Thank you for your attention to these important guidelines.
