# TRIEBEL Neck Size Bushing Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing (9.08mm 8.5x55 Blaser). This guide provides essential safety instructions and usage guidelines to ensure safe and effective use of this product. Please read this manual carefully before using the bushing.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this manual.
- Always keep the bushing out of reach of children and vulnerable individuals.
- Inspect the bushing regularly for any signs of damage or wear before use.
- Follow all manufacturer instructions regarding the use and maintenance of the bushing.
- In case of any doubts or questions regarding the product, seek assistance from a qualified professional.

## Specific Safety Precautions for Use

- Do not attempt to modify or alter the bushing in any way.
- Use only compatible neck sizing dies with this bushing to avoid accidents.
- Wear appropriate safety gear, such as eye protection, when handling the bushing.
- Avoid using excessive force during installation or operation to prevent injury or damage.
- Store the bushing in a dry and secure location to prevent accidental damage or misuse.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your workspace is clean and free of any obstructions.
- Gather all necessary tools and equipment before starting the installation.

### 2. Installation:

- Remove the existing bushing from the neck sizing die by following the manufacturer's instructions.
- Carefully insert the TRIEBEL Neck Size Bushing into the neck sizing die, ensuring it is seated properly.
- Secure the bushing according to the die manufacturer's specifications.

### 3. Usage:

- Follow the instructions for your specific neck sizing die to ensure proper operation.
- Monitor the bushing during use for any unusual sounds or signs of malfunction.
- If you notice any issues, stop using the product immediately and consult a professional.

### 4. PostUsage:

- After use, clean the bushing with a soft cloth to remove any debris.
- Store the bushing in its original packaging or a safe location to prevent damage.

## Disposal Instructions

- Dispose of the bushing in accordance with local regulations.

- Do not dispose of the bushing in regular household waste if it is damaged or broken.
- Consider recycling options if available.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the TRIEBEL Neck Size Bushing, please contact the manufacturer or consult your local retailer for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
