TRIEBEL Neck Size Bushing Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing designed for use with Triebel neck sizing dies. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the product.

General Safety Guidelines

To ensure safe use of the TRIEBEL Neck Size Bushing, please adhere to the following general safety guidelines:

- Ensure that the product is used only for its intended purpose as outlined in this guide.
- Always read and follow the manufacturer's instructions and guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Store the product in a safe and dry place when not in use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

When using the TRIEBEL Neck Size Bushing, please observe the following safety precautions:

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect against potential hazards.
- Ensure that the work area is wellventilated and free from distractions.
- Do not exceed the recommended specifications for the product, including the diameter and caliber.
- Avoid using the product with incompatible materials or equipment.
- Follow all local regulations and guidelines regarding the use of reloading equipment.

Instructions for Installation and Usage

To ensure safe and effective use of the TRIEBEL Neck Size Bushing, follow these instructions:

1. Installation:

- Ensure the die is securely mounted in the reloading press.
- Remove any existing bushings from the neck sizing die.
- Insert the TRIEBEL Neck Size Bushing into the die, ensuring it fits snugly.
- Tighten the die according to the manufacturer's specifications.

2. Usage:

- Prepare your brass cases according to the reloading process.
- Insert the brass case into the neck sizing die with the installed bushing.
- Operate the reloading press to size the neck of the case.
- Inspect the sized case to ensure proper dimensions and fit.

3. PostUse:

- Clean the bushing and die after use to prevent buildup of residue.
- Store the bushing in a safe location, away from moisture and direct sunlight.

Disposal Instructions

When disposing of the TRIEBEL Neck Size Bushing, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding waste disposal.
- Do not dispose of the product in regular household waste if it is deemed hazardous.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For safety inquiries or additional support regarding the TRIEBEL Neck Size Bushing, please refer to the contact information provided by your retailer or manufacturer. It is essential to have access to assistance if needed.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of the TRIEBEL Neck Size Bushing. Thank you for your attention to safety, and we hope you enjoy your reloading experience.
