TRIEBEL Neck Size Bushing Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of the product. Please read this document carefully before using the bushing.

General Safety Guidelines

- Ensure that the TRIEBEL Neck Size Bushing is used only for its intended purpose, which is to be used with Triebel neck sizing dies.
- Always inspect the bushing for any signs of damage or wear before use. Do not use a damaged bushing.
- Keep the bushing out of reach of children and vulnerable individuals to prevent accidental injury.
- Follow all local laws and regulations regarding the use of reloading equipment and components.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading equipment.
- Ensure that your workspace is clean and free of obstructions to avoid accidents during the reloading process.
- Do not exceed the recommended specifications for the bushing to avoid malfunction or damage to your equipment.
- Be aware of the potential hazards associated with reloading, including the handling of primers and powder.
- Avoid using the bushing in conditions that exceed the manufacturer's recommendations, such as extreme temperatures or humidity.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Remove the existing neck sizing die from the press.
- Carefully insert the TRIEBEL Neck Size Bushing into the die holder of the press.
- Secure the bushing in place according to the manufacturer's instructions for your specific press model.

2. Usage:

- Adjust the bushing according to the specifications for your specific caliber (11.43mm for 416 Barrett).
- Follow the reloading process as outlined in your reloading manual, ensuring that the bushing is used correctly.
- Monitor the bushing during use for any signs of wear or malfunction.

Disposal Instructions

- Dispose of the TRIEBEL Neck Size Bushing responsibly in accordance with local regulations.
- Do not dispose of the bushing in household waste. Instead, take it to a designated recycling facility or hazardous waste collection point if applicable.
- Ensure that any used or damaged components are securely packaged to prevent injury to others.

Contact Information for Further Support

For any inquiries regarding the TRIEBEL Neck Size Bushing, please refer to the manufacturer's contact details provided with your product or visit the official website for additional support and resources.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective reloading experience with your TRIEBEL Neck Size Bushing.
