# TRIEBEL Neck Size Bushing Safety Instructions

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing. This product is designed for use with Triebel neck sizing dies and is essential for ensuring precise neck sizing in your reloading process. This safety instruction guide contains important information to help you use this product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bushing for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the bushing.
- Ensure that the bushing is securely fitted to the neck sizing die before use to prevent accidents.
- Do not exceed the recommended specifications for the bushing, including the diameter and caliber.
- Avoid using the bushing if it shows signs of damage, such as cracks or excessive wear.
- Do not modify the bushing in any way, as this may compromise its safety and effectiveness.

## Instructions for Installation and Usage

### 1. Installation:

- Start by ensuring that your workspace is clean and free from distractions.
- Remove any existing bushing from your neck sizing die.
- Carefully insert the TRIEBEL Neck Size Bushing (10.78mm) into the neck sizing die.
- Ensure that the bushing is seated properly and securely.
- Tighten any screws or fasteners as necessary to hold the bushing in place.

### 2. Usage:

- Use the neck sizing die with the installed bushing according to the manufacturer's instructions.
- Monitor the performance of the bushing during use, checking for any irregularities.
- If you notice any issues, stop using the bushing immediately and inspect it for damage.
- Clean the bushing after each use to maintain its effectiveness and longevity.

## Disposal Instructions

- Dispose of the TRIEBEL Neck Size Bushing in accordance with local regulations.
- Do not dispose of the bushing in regular household waste if it is damaged or worn.
- Contact your local waste management facility for guidance on safe disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL Neck Size Bushing, please refer to the product packaging

or visit the manufacturer's website for additional support and information.

Thank you for following these safety instructions and for ensuring a safe and effective reloading experience with your TRIEBEL Neck Size Bushing.
