# TRIEBEL Neck Size Bushings Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing. This product is designed for use with Triebel neck sizing dies and is intended to enhance your reloading experience. It is essential to follow the safety guidelines and instructions provided in this guide to ensure safe and effective use.

## General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following guidelines:

- Always read the product instructions carefully before use.
- Use the product only for its intended purpose as described.
- Keep the product out of reach of children and pets.
- Regularly inspect the product for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

When using the TRIEBEL Neck Size Bushing, please observe the following precautions:

- Ensure that the bushing is compatible with your specific Triebel neck sizing die.
- Avoid using excessive force during installation or removal to prevent damage.
- Do not attempt to modify the bushing in any way.
- Wear appropriate safety gear, such as eye protection, while using reloading equipment.
- Always work in a wellventilated area to avoid inhalation of any particles.

## Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the TRIEBEL Neck Size Bushing:

1. **Compatibility Check:** Verify that the TRIEBEL Neck Size Bushing is suitable for your Triebel neck sizing die model.
2. **Installation:**
  - Ensure that the die is securely mounted in your reloading press.
  - Carefully remove the existing bushing if applicable.
  - Insert the TRIEBEL Neck Size Bushing into the die until it is seated properly.
  - Ensure that the bushing is firmly in place and does not wobble.
3. **Usage:**
  - Follow the die's operation instructions for neck sizing.
  - Monitor the bushing during use for any signs of wear or malfunction.
  - After use, clean the bushing to remove any debris or residue.
4. **Removal:**
  - Allow the equipment to cool down if it has been in use.
  - Carefully remove the bushing by pulling it straight out of the die.
  - Store the bushing in a safe and dry location when not in use.

## **Disposal Instructions**

When disposing of the TRIEBEL Neck Size Bushing, please follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods for metal and plastic products.
- If the bushing is damaged or no longer usable, consider recycling if possible.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the TRIEBEL Neck Size Bushing, please reach out to your local retailer or manufacturer's customer support. Ensure that you have the product details and specifications on hand for a more efficient response.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your TRIEBEL Neck Size Bushing. Thank you for your attention to safety, and happy reloading!
