Safety Instruction Guide for TRIEBEL Neck Size Bushing

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing. This product is designed for use with TRIEBEL neck sizing dies and is essential for achieving precise neck sizing in your reloading process. Please read this safety instruction guide carefully to ensure safe and effective usage.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the TRIEBEL Neck Size Bushing by following all instructions. This product is designed to meet safety standards as per EU regulations.
- **Enhanced Recalls:** In the event of a product recall, you will receive standardized notices and remedies at no cost if the product is found to be dangerous.
- **Online Shopping:** Whether purchased instore or online, this product is subject to the same safety protections.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups. Ensure that children do not have access to this product.
- **EU Contact Point:** For any safety inquiries regarding this product, please refer to the EU-based contact point provided on the packaging.
- **Rapid Alerts:** Stay informed about product safety by checking the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper handling of the bushing may lead to injury.
 - Using the bushing with incompatible dies can cause malfunction or damage.
- **Avoiding Hazards:**
 - Always handle the bushing with care.
 - Ensure compatibility with your specific TRIEBEL neck sizing die before use.
- **Age Restrictions:** This product is intended for adult users only. Keep out of reach of children.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have the correct TRIEBEL neck sizing die model compatible with the 10.10mm bushing.
- Gather all necessary tools before beginning the installation process.

2. Installation:

- Remove the existing bushing from the neck sizing die if applicable.
- Carefully insert the TRIEBEL Neck Size Bushing into the die, ensuring it is seated properly.
- Tighten the die according to manufacturer instructions to secure the bushing in place.

3. Usage:

- Follow standard reloading practices when using the neck sizing die with the installed bushing.
- Regularly check the bushing for wear and ensure it is functioning correctly.
- If you notice any issues such as irregular sizing or damage, discontinue use immediately and

consult a professional.

Disposal Instructions

- Dispose of the TRIEBEL Neck Size Bushing in accordance with local regulations regarding metal and plastic waste.
- Do not dispose of the product in household waste. Instead, consider recycling options available in your area.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL Neck Size Bushing, please refer to the contact information provided on the packaging. It is important to reach out to the manufacturer for assistance with safety inquiries or product support.

Thank you for your attention to these safety instructions. Proper use and care of the TRIEBEL Neck Size Bushing will ensure a safe and effective reloading experience.
